I just wanted to let you know that the catering that you did for our trainings in Yakima the week of August 6th wowed everyone. Our participants' complete evaluation form as the conclusion of the trainings, and here is some of the feedback we received: "I was really impressed by the food! My fear was that I'd have to go out for lunch because often the food is nasty. The lunches were very tasty and satisfying."

Janet Koestring

Everything was dead perfect. My folks raved about the appetizers. and Michelle was great.

Everything was just great – thank you for all your work for us! I believe our guests had a great time and there was more than enough food for everyone - my hope is that Shirley and her team were able to enjoy some of it as well. Our Vegans felt very cared for and super appreciated the extra touches your provided for them – and I noticed you even found my favorite olives ;) It was a pleasure working with you – I can see why our sister office recommended you!!

Cheers!
